The board would like to solicit an eighth charity for support from the membership. Any club member in good standing of the Metro Parrot Head Club, and is a principle of a charitable organization please submit a proposal to the board. Please state why you think your organization would be a good fit for us and how you think we could support your organization. You can send your requests to my email. Jb27632@yahoo.com I will collect and present to the board at our member meeting on Saturday.
