#### MEMBERSHIP SURVEY:

Bosco looked into using Survey Monkey and asked board members to send a list of questions to him this week. It can be a combo of multiple choice and open -ended questions, with option to be anonymous or add name. It will go out by email, not in Banana Wind or on FB.

PHIP: is offering clubs free website management if they link their pages to the PHIP page. We could save approx. \$200 for the GoDaddy fees and \$150 on the security package. We need more info and Bosco suggests waiting a year to see how it goes. All agreed.

#### METRO FACEBOOK PAGE:

John Brown and Joe Lombardi are the moderators and Laurel was just added as a moderator by John Brown so now all three can approve posts. Laurel would like to know the guidelines as to how the approval process works.

FAMILY PICNIC: It was suggested that we move this event to September and have a Beach Bash instead. A date of 9/23/23 was agreed on and Jamie will look into various venues/packages. Nancy will contact Sunny Jim to let him know that the dates he is available do not work with our events but the club will be happy to promote any local dates he is able to book in the area.

ESCAPE TO MARGARITAVILLE SHOW: Linda requested we change the date as it conflicts with another Trop Rock event in PA. A motion was made by Linda, seconded by Bosco to change the date from 7/28 to 7/21. Passed unanimously. Linda will be the ticket liaison for this event and will ask for payment by check only with a SASE sent to her. Collection will be 4/4/23-5/31/23.

#### OPEN DISCUSSION:

- Linda suggested Axe Throwing in Selden as a new event. She will look into dates.
- Laurel suggested ordering Metro pins to be handed out to members who attend events. A motion was made by Jamie, seconded by Nancy to purchase 100 pins at a cost of approx. \$60. Passed unanimously.
